

CIGAR SELECTION

Cohiba Siglo II

£16.00

5 1/8" (129mm) x 42 ring gauge - Medium Flavour

It is said that selection is the key to the production of the finest cigars. Cohiba benefits from the 'selection of the selection' - the pick of the crop from the five finest *Vegas Finas de Primera* (First Class Fields) in the *San Luis* and *San Juan y Martinez* zones of the Vuelta Abajo tobacco region. Uniquely amongst Havana brands, two of the filler leaves for Cohiba, the *seco* and *ligero*, undergo a third fermentation in barrels, which adds smoothness to the blend.

Montecristo Edmundo

£17.50

5 1/3" (135mm) x 52 ring gauge - Medium to Full Flavour

Edmundos are '*tripa larga, totalmente a mano*' - long filler, totally hand made using a medium to full-bodied blend of Vuelta Abajo tobaccos that deliver the classic, bitter-sweet 'tangy' flavour that has made Montecristo the world's most popular Havana cigar brand.

Romeo y Julieta Short Churchill

£14.50

4 7/8" (124mm) x 50 ring gauge - Medium Flavour

Romeo y Julieta's balanced and aromatic blend of selected leaves from the Vuelta Abajo region make it the classic medium bodied Habano. Today Romeo y Julieta is as well known around the world as ever and offers the widest range of *totalmente a mano, tripa larga* - totally hand made, long filler - sizes available in any Habanos brand.

H.Upmann Coronas Junior

£6.60

4 1/2" (115mm) x 36 ring gauge - Light to Medium Flavour

Herman Upmann was a banker from Germany who so loved Cuban cigars that he moved to Havana in 1844 and set up as both banker and cigar maker. His bank closed in the early 1920s but his cigars live on as a fine example of an elegant light to medium-flavoured Habano.
